

Cosentyx[®]
(secukinumab)

Here with you

Field Reimbursement Managers (FRMs) are here to support you every step of the way

The FRM is your partner in helping patients start and stay on COSENTYX[®].*

Answer regional and national payer coverage questions

Help offices navigate the reimbursement process

Explain payer requirements and coverage criteria

(ie, benefits investigation (BI), prior authorization (PA), appeals, and other documentation that may be required)

Educate on COSENTYX[®] Connect, our comprehensive patient support program that offers dedicated Personal Support Specialists, savings options, supplemental injection training, and more

*FRMs offer educational support and can provide resources for guidance. They cannot fill out or complete forms on behalf of providers or otherwise perform the work of the office staff.
