Novartis Patient Assistance Foundation

The Novartis Patient Assistance Foundation, also known as NPAF, provides Novartis medicines at no cost to eligible US patients experiencing financial hardship who have limited or no prescription drug coverage. Patients who meet the program eligibility criteria are approved to receive their medication at no out-of-pocket cost.

Visit [novartis.us/our-products/patient-assistance](https://www.novartis.us/our-products/patient-assistance) to get started.

*Limitations apply. Up to a \$16,000 annual limit. Offer not valid under Medicare, Medicaid, or any other federal or state program. Novartis reserves the right to rescind, revoke, or amend this program without notice. Limitations may apply in MA and CA. For complete Terms & Conditions details, call 1-844-267-3689.

[†]Certain payers have carve-outs that restrict utilization of manufacturer support programs.

[‡]Covered Until You're Covered Program: Eligible patients must have commercial insurance, a valid prescription for COSENTYX, and a denial of insurance coverage based on a prior authorization request. Program requires the submission of an appeal of the coverage denial within the first 90 days of enrollment in order to remain eligible. Program provides initial 5 weekly doses (if prescribed) and monthly doses for free to patients for up to two years or until they receive insurance coverage approval, whichever occurs earlier. Program is not available to patients whose medications are reimbursed in whole or in part by Medicare, Medicaid, TRICARE, or any other federal or state program. Patients may be asked to reverify insurance coverage status during the course of the program. No purchase necessary. Program is not health insurance, nor is participation a guarantee of insurance coverage. Limitations may apply. Enrolled patients awaiting coverage for COSENTYX after two years may be eligible for a limited Program extension. Novartis Pharmaceuticals Corporation reserves the right to rescind, revoke, or amend this Program without notice.
