

LET US HELP YOU STAY ON TRACK

WE HAVE AN APP FOR THAT

The Medisafe app can help you stay on track with COSENTYX® (secukinumab) and teach you more about your condition.

WITH THE MEDISAFE APP, WE'RE HERE TO HELP YOU STAY ON TRACK

Medisafe is available for free download on any smartphone device. When you download the app and add COSENTYX[®] to your Med Cabinet, you're ready to get started. Through the app you'll have access to:

- COSENTYX information
- Supplemental injection training
- Disease education
- FAQs and refill reminders
- Savings information
- Organize all your prescriptions and doctor appointments in one place

Download for iPhone or Android today.
