

Cosentyx[®] Connect

REAL SUPPORT. PERSONAL SOLUTIONS.

IS YOUR PATIENT'S SIGNATURE MISSING FROM THE COSENTYX[®] CONNECT START FORM?

No problem.

Patients can easily sign electronically by following these simple steps:

- 1 Go to **HIPAAconsent.com** and complete user information
- 2 Enter "**COSENTYX**" in the Medication Selection section
- 3 Provide their authorization
- 4 Receive confirmation

The authorization will be submitted to the COSENTYX[®] Connect Personal Support Program electronically, and the Start Form will be processed. The sooner we receive the patient's authorizing signature, the sooner you can get your patient started on COSENTYX[®].
